Introduction & Aim of the Event

Jagran Incubation & Entrepreneurship Cell (JIEC), JIM, in collaboration with I-Tech Innovation Foundation, presents “Business Leadership & Entrepreneurial Conclave 2026: From Vision to Venture.” This two-day event will bring together entrepreneurs, innovators and industry experts to promote entrepreneurial thinking, leadership skills and networking opportunities. It will witness the launch of the Family Business & Sustainable Entrepreneurship Programme. The conclave will feature startup exhibitions, panel discussions and conclude with “Jagranpreneurs 2026,” a startup pitching competition offering mentorship and growth opportunities.

About Jagran Institute of Management (JIM) Kanpur

Jagran Institute of Management (JIM) is one of the Top Management Schools in Kanpur, Uttar Pradesh, India. The Institute is promoted by the prestigious media house Dainik Jagran. JIM, a premier business school in Uttar Pradesh, offers cutting-edge facilities that promote experiential learning, supported by a team of expert faculty and a rich library of academic resources. Our MBA & MCA programs are affiliated with Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

About JIEC

The Jagran Incubation & Entrepreneurship Cell (JIEC) at JIM promotes innovation and entrepreneurship among students, alumni and faculty. Recognized by the Institutional Innovation Council (IIC), JIEC collaborates with esteemed global and national organizations, including TES-G Foundation (USA), Synergy University (Moscow), MSME, NCS, NCSDE, FIRST SIIC- IIT-K, AISECT, IBM Skill Training, Bajaj Finserv (CPBFI), IAF CET IIT-Kanpur and much more.

Our Program Associate: I -Tech Innovation Foundation

I-Tech Innovation Foundation is a not-for-profit organization promoting innovation, entrepreneurship and MSME growth by connecting startups, academia, industry and government. It supports ventures through mentorship, funding access and training, following a “Build–Support–Scale” approach to transform ideas into scalable ventures.

Our knowledge Partners

- Prudent Corporate Advisory Services Limited - A prominent Indian wealth management and financial services firm, established in 2000 and headquartered in Ahmedabad. The company delivers a comprehensive suite of investment solutions, including mutual fund distribution, insurance, and stock broking, leveraging a robust advisor network and advanced digital infrastructure to provide seamless, transparent, and client-centric financial services across India.
- Senseoriginal Technologies Pvt. Ltd. – A next-generation anti-counterfeiting solutions provider company that helps brands protect their products from duplication using advance sense original’s NFC and RFID technology. By enabling consumers to verify product authenticity with a simple tap, Senseoriginal builds trust, enhances brand value, and ensures a safer marketplace.
